

# Protect Progress. Fund Diabetes Programs.

Federal programs across the NIH and CDC are essential to Indiana's fight against diabetes. Cuts threaten the research, prevention, and infrastructure supporting the 666,400 adults in Indiana living with diabetes.<sup>1</sup>

## NIDDK | National Institute of Diabetes and Digestive & Kidney Diseases

**Current Funding: \$7.9M**

- The NIDDK currently funds **23 projects** across Indiana, with **\$4.4M** committed to diabetes-related research in 2024 alone.<sup>1,2</sup>
- The NIDDK supports **7 active clinical trials** in the state.<sup>3</sup>
- Cuts would threaten this nationwide research engine that advances care and improves health outcomes for over 650,000 Indianans.

**\$7.9M** Supporting  
**23** Projects

**7**  
Clinical Trials

**\$4.4M**  
in Diabetes Research

## DNPAO | CDC Division of Nutrition, Physical Activity, and Obesity

**FY 2024 Funding: \$680,038**

- Cuts would threaten **\$680,038** in direct funding to the Health & Hospital Corporation of Marion County for Racial and Ethnic Approaches to Community Health (REACH) programs.<sup>4</sup>
- Furthermore, DNPAO supports essential tools and programs used across the state. Cooperative agreements power statewide efforts to strengthen obesity prevention, enhance early childhood nutrition, expand provider training, and promote healthy communities.<sup>5</sup>

Pediatric Growth  
Tracking Tools

Preventive Health  
Assessments

State Obesity  
Surveillance Maps

Nutrition Education  
and Sourcing

## National DPP | CDC National Diabetes Prevention Program

- National DPP supports diabetes prevention programs for **over 16,000 enrollees** offered by **33 organizations** across **18 cities**.<sup>6,7</sup>
- Cuts would disrupt access to evidence-based lifestyle interventions shown to reduce the risk of type 2 diabetes by **58%** in adults and **71%** among seniors.<sup>8</sup>

**16,317** Indianans across  
**18** Cities

## DDT | CDC Division of Diabetes Translation

**Current Funding: \$1.4M**

- Cuts would threaten **\$1.4M** that supports the Indiana Department of Health in tracking, preventing, and managing diabetes.<sup>6</sup>

**55** Diabetes Self-Management Education  
and Support (DSMES) service providers.  
**23,303** Indianans with diabetes that  
have used DDT DSMES.
