Supporting individuals and families through every step of their health journey is at the heart of what we do at Adelante Healthcare.

As a community health center, we provide comprehensive and accessible care to all, regardless of background, income, or insurance status. With nine locations across Maricopa County, we have built a Culture of Care that connects people to the services they need to live healthier and more fulfilling lives. Our team delivers primary care, women's health, nutrition, dental, and behavioral health with compassion and respect. Every effort brings us closer to a healthier and more equitable future for all.
